

Harlem Children Society Mission

www.harlemchildrensociety.org

- Develop innovative curricula to be used in under- resourced school districts in low-income communities
- Build a corps of researchers and other Science and medical practitioners to serve as positive role models and mentors
- Provide training and insight for mentors and learners so that long term changes will be effected in schools
- Promote other activities related to scientific education for the enhancement of the community at large

For Information Contact:

Dr. Sat Bhattacharya, Founder, President & CEO, Harlem Children Society

Tel: (646) 643-8563; (646) 633-4645/4655

Sigma Xi, The Scientific Research Society

www.sigmaxi.org

- The Society is a diverse chapter-based organization dedicated to the advancement of science and engineering through outstanding programs and services delivered in a collegial and supportive environment.
- To enhance the health of the research enterprise, foster integrity in science, and promote the public's understanding of science for the purpose of improving the human condition.
- To be the global honor society of science, engineering, and research.

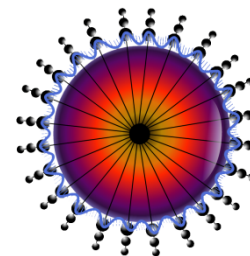

Harlem Children Society would like to thank all including the following who make our dream possible:

- * Our Supporters and Funders * Volunteers * Collaborators
- * Teachers and Principals and other Educators * Members of our community
- * Mentors – without whom all this would just remain a dream – thank you!
- * Student Families and friends AND * New York University (NYU)
